

PAYROLL NOTICE

On January 25, 2006, we discussed with the PVA Budget Committee the problem of counties not receiving their pay checks on pay day and the long process for replacement checks.

Jointly, the PVA Budget Committee and the Office of the Controller **strongly suggest and encourage** that all PVA offices take advantage of the [direct deposit](#). It only takes one (1) pay period for the direct deposit to be in effect and the payroll check to go directly to the designated bank. Again, we **“thank”** those ten (10) counties that are totally direct deposited...
